

WINTER PROGRAMS

Enjoy Canada's winter with our custom built itineraries to Ottawa or Quebec City. Visiting Quebec City during the Winter Carnival is an excellent way to experience the francophone culture while participating in the many activities available, such as skiing, skating, tobogganing/tubing, snowshoeing or even dog sledding. The Winter Carnival in Quebec will run from Jan 28th to Feb 13th, 2011.

Ottawa's Winterlude festival is also an excellent destination to enjoy the winter with your students. Marvel at the ice sculptures and snow carvings, skate along the Rideau canal and enjoy the world's biggest snow playground - the Snowflake Kingdom -
